

WPI Athletics & Performance Gaines

“Coming from a small school I was looking for place that would give me that edge from Combine Prep to Football Skills training. I learned to play in space as well as with my hand in the dirt. WPI/PG provided me with great training and a perfect atmosphere for success. I left there feeling completely prepared. I also got to compete against some of the top OL prospects”

Larry English
San Diego Chargers
16th Overall Pick 2009

2009 Defensive Line Draft Class
